

Necessary Disclaimer

All of our Massage Therapists are Licensed by the State of Florida.
They have met all of the stringent requirements as stated by the
Department of Health.
They have the highest educational standards in the industry.

Our treatments are therapeutic, professional and follow the professional
code of ethics. At no time should they be confused with services of a
sensual or sexual nature. It is at the therapist's discretion to discontinue treatment
at any point if they feel that is what your intention is.
